Wylie Honored With Distinguished Budget Award

Wylie, TX, April 3, 2013 – The Government Finance Officers Association of the United States and Canada recognized the City of Wylie with the GFOA's Distinguished Budget Presentation Award for the Fiscal Year 2012-2013 Budget.

According to the GFOA, the honor is the highest form of recognition in governmental budgeting and a significant achievement that reflects the commitment of the City of Wylie and staff to meeting the highest principles of government budgeting. This is the second consecutive year Wylie has received the Distinguished Budget Presentation Award.

The award is based on established guidelines assessing the overall effectiveness of the budget presentation. The nationally recognized criteria evaluate how well the budget serves as a policy document, a financial plan, an operations guide and a communications device.

The GFOA is a nonprofit professional association serving over 17,500 government finance professionals throughout North America. The GFOA's Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.
